The Eisenhower High School Performing Arts Center (PAC) is best accessed from the eastern most entrance to the school. This eastern entrance is marked with a traffic light off 25 Mile Road, and it is the only light between Mound and Van Dyke. Please note that this entrance is slightly hidden from the rest of the school as it has a few houses directly next to it. Please park in the EAST PARKING LOT, or if it is full the North Parking Lot. The easiest way to enter the performance areas are through the Auditorium Entrances (5A and 5B) or the Visitors Entrance Door #5.
