

FREQUENTLY ASKED QUESTIONS ABOUT THE MARCHING EAGLES

1. WHO MARCHES?

Concert Band, Symphonic Band, Wind Ensemble and Jazz Ensemble members participate in the marching season as well as freshman from Shelby and Malow. UAIS students may participate as well as long as they are enrolled in the Instrumental program at the UAIS School. The "Marching Eagles" are made up of some of the smartest and best that Eisenhower High School has to offer so it's a great group to be a part of!!

2. ARE THERE INSTRUMENTS THAT ARE NOT PART OF THE MARCHING BAND?

Bassoon, oboe, bass clarinet and baritone saxophone are generally not Marching Band instruments. Students who play these instruments can choose to play an alternate instrument such as Clarinet, Alto/Tenor saxophone, or possibly learn another instrument such as Mellophone (marching French Horn), Trombone, Euphonium, or Tuba.

Any student, including non-band students, may try out for Colorguard!

3. WHAT IS A SECTIONAL?

A sectional is a small rehearsal with all members the play a like instruments (i.e. all the flutists). Using a comprehensive interview/application process, the Directors select the most experienced and highly qualified student(s) of each instrument section to organize these rehearsal sessions. Sectionals are held during the summer and then as needed during marching season. Students are expected to attend all summer sectionals that don't interfere with family travel plans as attendance will be taken at each rehearsal. Any conflicts with sectionals during the school year need to be resolved with the section leader, however excessive absences will be brought to the attention of Mr. Traskal. This time is some of the most important rehearsing we do as musicians and is vital to the success of the Band!

4. WHAT IS "NEW MARCHER ORIENTATION"

New Marcher Orientation is a day camp for any new member of the Marching Eagles, no matter what grade they are in. The Orientation will take place from 11:30am to 3:00pm on the last day of school at the High School and will be entirely focused on the needs and concerns of our newest members! All of our Drum Majors, Field Commanders, and Section Leaders will be in attendance as well to assist with the various activities. During this time we will work on and discuss marching, music, drill, and also do a variety of team building events! Everything will be done in a positive and friendly way to make our newest "Marching Eagles" feel right at home! For Shelby students, bus transportation will be provided to Eisenhower following the end of your school day. Lunch will be provided to all at 11:30am by the Eisenhower Instrumental Music Boosters!!

5. WHAT IS PRE-BAND CAMP?

All members of the Marching Eagles are required to attend two days of marching/music instruction at the start of summer (see calendar on next page) from 9:00am to 3:00pm. Clinics will be run by staff members, drum majors, field commanders, and other student leadership. This is all done under the supervision of the band director(s).

6. WHAT IS BAND CAMP?

Band Camp is scheduled shortly before the start of the school year. This camp should be considered Mandatory for all marching band members. The 1/2 time performance, parade routine and all of the music for the season are learned during these days, with the assistance of several hired specialized staff. More importantly this experience develops and promotes camaraderie, team spirit and unity! Students spend seven days and six nights at Camp Walden in Cheboygan, Michigan learning and mastering marching, show drills, music, and parade routines. We also will have various social activities and events!

7. CAN A STUDENT PARTICIPATE IN BOTH MARCHING BAND AND FALL SPORTS?

Yes, however to avoid conflicts, students desiring to participate in fall sports must **CAREFULLY** cross-reference the Marching Band performance dates with those of their sport. All conflicts need to be resolved with the Band director(s) before the end of the previous school year to come up with an attendance plan. Failure to abide by the plan could result in unexcused absences from the ensemble.

8. WHEN DO THE MARCHING EAGLES REHEARSE?

Normally, the full band has mandatory rehearsals twice a week for 2 hours during the season. Special situations/events might require extra rehearsals and will be added if deemed necessary. A complete schedule of Marching Band rehearsals and performances will be available before Marching Band registration.

Visit our website, www.lkebands.com for the most updated schedule!

9. HOW OFTEN DOES THE MARCHING BAND PERFORM?

The "Marching Eagles" perform at all home games (4-5), Ike Homecoming Parade, UCS Band-A-Rama, MSBOA Marching Band Festival, Playoff Football Games (TBD), as well as other Community and School events!

10. DOES MY CHILD NEED TO BE IN A BAND CLASS TO MARCH?

According to UCS District Policy all instrumental members must be enrolled in a concurrent FULL YEAR instrumental music class at their normal school of attendance. For students that do not attend regular classes at Eisenhower (Shelby, Malow, UAIS) we will follow up with your classroom director to make sure this requirement is met in accordance to UCS Policy. Colorguard students are exempt from this requirement.
