

**EISENHOWER HIGH SCHOOL**  
**INSTRUMENTAL MUSIC DEPARTMENT**  
MR. CHRISTOPHER TRASKAL, DIRECTOR  
MRS. LAWANDA PARKER, ASSISTANT DIRECTOR

April 10, 2018

Dear Florida Trip Participants:

The day that we leave for Florida is quickly approaching! Consequently, here are some last minute details and suggestions for those who are traveling:

- Payment:** Make sure you are all paid up! Any student who does not have their trip entirely paid for will not participate. There are no refunds at this point.
- Medical Form:** Please fill out and sign the attached Medical Information/Permission Slip sheet and turn it in to Mr. Traskal, Mrs. Parker, or directly to Mrs. Swartz ASAP. Students must turn all medications in to their chaperones for proper dispersion.
- Luggage:** Do not over pack! Bring only what you can carry by yourself. You are solely responsible for your luggage (including your instrument). Flutes and clarinets **MUST** be placed in a carry on or packed in suitcases. Each person can only have one piece of luggage to check in and one small piece of luggage to carry on the plane. The Marching Band uniforms will be transported to Florida in a separate vehicle. Most instruments (minus flutes and clarinets) will go on the trailer as well. Also, see the attached sheets for TSA carry-on and luggage guidelines.
- What to Bring:** Shorts, jeans, T-shirts, sweatshirts, etc. will be appropriate for trip, including the clinic. Plan to dress comfortably (i.e. jeans, shorts, slacks, and comfortable walking shoes). All clothing must be neat, clean, and modest. Be prepared for weather extremes.
- Other Needs:** **Everyone MUST bring either a driver's license, passport, or your school ID.** Bring a change of clothing for each day, swimsuit, sunscreen, pajamas, toiletries, toothbrush, toothpaste, deodorant, etc., camera, a watch, and spending money. Most meals are covered on this trip, but still look over the itinerary carefully!
- Rules:** **ALL SCHOOL RULES ARE IN EFFECT!!!!** Anyone caught breaking these rules, or other rules set forth by the hotel or Mr. Traskal will be subject to **immediate dismissal** from the trip. Parents will be called to arrange their child's trip home at their own expense. See attached "General Rules" sheet for more details.
- Contact Info:** The phone numbers of where we can be reached in case of emergency are through either **Bob Rogers Travel** at 1-800-373-00701423 or through the **Disney's Coronado Springs Resort**: 1000 West Buena Vista Drive; Lake Buena Vista, FL. Phone: (407) 939-1000
- Luggage Check:** Due to our early morning departure times, **all luggage, including carry-on's, MUST to be dropped off at Eisenhower on Thursday April 26 by 3:30am.** Please enter the building through door #6 only. The luggage will be checked that day and safely secured in the building until departure.
- Departure:** **Thursday, April 26th.** Report time to EHS that day is 3:30am.
- Return:** **Sunday, April 29th.** We arrive back VERY late (this was done to save each trip participant over \$150/trip) so plan accordingly and check the itinerary.
- Chaperones:** We have 20 adults traveling on this trip including Mr. Traskal. For those parents that are chaperoning, there will be a meeting on Monday, April 16<sup>th</sup> at 8:00 PM in the Eisenhower ECC room. Please plan on attending. Contact Sue Swartz or Mr. Traskal for details.

If you have any other questions, please feel free to attend the **Monday, April 16th, Band Booster Meeting at 7:00 PM** in the ECC Room at Ike. You can also contact us at (586) 797-1438 or by email at the address listed below. All information and a copy of the itinerary can also be found on our website at [www.ikebands.com](http://www.ikebands.com).

Looking forward to a rewarding educational experience with your children!

# CARRY-ON LUGGAGE RULES

Not sure what to check and what to carry? Take a few minutes to learn the can-do's and no-can-do's of carry-ons.

## **One bag. One item. No charge.**

We know, you've probably heard it before, but just in case you need a reminder: you're allowed one carry-on bag and one personal item at no extra charge. Just make sure they fit into the overhead bin or under the seat in front of you. Cram sessions are not pretty — and they slow things down.

## **Approved Personal Items**

1 purse, briefcase, camera bag or diaper bag  
or 1 laptop computer (computers cannot be checked)  
or 1 item of a similar or smaller size to those listed above

## **Additional Approved Items**

The following items do not count as personal items (they're freebies):

- A jacket or umbrella
- Food or drink purchased after clearing the security checkpoint
- Duty-free merchandise
- Special items like strollers, child restraint seats or assistive devices such as wheelchairs or crutches

## **Carry-on Size Restrictions**

Baggage may not exceed 45 linear inches (or 114 cm) in combined length, width and height. Baggage must fit easily in the Carry-on Baggage Check (approximately 22" x 14" x 9" or 56 x 35 x 23 cm), which is located near the check-in counters

**3-1-1 for Carry-ons**  
Prepare for Take-off →

<b>3</b> 3.4 ounces or smaller containers of liquid or gel More than 3.4 ounces permitted in checked baggage Container size is a security measure 	<b>1</b> 1 quart-size, clear plastic, zip-top bag holding 3.4 ounces or smaller containers Bag limits total volume per person 	<b>1</b> 1 bag per traveler placed in the security bin Isolating liquids speeds screening

# FLORIDA TRIP 2018

## CODE OF CONDUCT

## MEDICAL FORM & INSTRUCTIONS

### FLORIDA TRIP CODE OF CONDUCT

As a student member of the Eisenhower HS Instrumental Music Department, it is understood that:

#### General Rules

- Students will NOT be allowed to pack any liquids in their carry on or suitcase. There will be opportunities for students to purchase beverages throughout their trip (i.e. – when we get through security in the terminal).
- Laptop computers, games systems (Wii, PlayStation, etc.), TVs, and portable DVD players are not permitted.
- Students are to use appropriate language and demonstrate good behavior.
- We represent our school and community as we travel. Students are to be considerate of everyone with whom we come in contact.
- Each student is to stay with his/her designated group and never travel anyplace alone. Students must not leave any facility except in an approved, chaperoned group.
- Students may wear comfortable clothing appropriate for touring during most of the trip.
- Each student is to participate fully in all activities of the trip.
- The use or possession of tobacco, alcohol, or illegal drugs is absolutely prohibited.
- Students assume full responsibility for all valuables taken on the trip.
- All school rules are in effect!

#### Bus/Plane Rules

- Students are to remain seated while the vehicle is in motion (unless okayed by operator).
- Providing the student follows bus rules, each student may select his/her seat. Airline seats are assigned.
- Students may take food on the bus/plane. However, NO LIQUIDS (see above). Please keep the bus clean and dispose of all trash properly.
- Students are expected to bring only what luggage they can carry (one suitcase and a carry-on piece). Luggage should be tagged with your name. Luggage will be inspected. Checked luggage weight: 50 lbs. or less; dimensions (L+W+H): 62 in. or smaller. Southwest limits carry-on bag dimensions to 24" long x 16" wide x 10" tall or smaller.
- Portable music players may be played with headphones on the bus and airplane.
- An on-bus DVD player may be available for the bus rides, but we won't be on a bus very long (the trip to and from the airport is the longest). Only G, PG, and PG13 movies will be allowed and must be approved by the director and/or head chaperone for that bus.

## Hotel Rules

- Students will stay in their own rooms from curfew until breakfast time. Lights out and quiet time will begin thirty minutes after curfew. Room checks will occur nightly.
- One radio or TV per room may be played at a moderate level. They are not to distract others.
- Everyone is to help keep his/her room neat. Rooms will be checked.
- No student is to enter the room of hotel guests not from our group. No one from outside our group is to enter our group's rooms.
- No student is to leave the hotel premises.
- Students should use cell phones to call home.
- At **no time** may boys visit girls' rooms and vice versa.
- Students are responsible and required to pay for any damage and/or theft.
- No swimming is allowed unless an adult from our group is present to supervise.

## MEDICATION INSTRUCTIONS

***All medications, including prescription and over-the-counter medications must be listed on the student's medical history form.*** It is imperative to know every medication your student may have ingested prior to the emergency, including OTC. All medication needs to be in a Ziploc bag and stored in the student's carry-on luggage.

### Over-The-Counter (OTC) Medications:

Authorized over the counter medications may be kept in the student's belongings if they are in the original container. Please note: the parent/guardian accepts full responsibility for their child's ability to safely self-administer the OTC medication at Band Camp and/or on Band Trips. Any over the counter medications not listed below must be approved by the designated chaperone.

#### **Approved over-the-counter medications:**

Tylenol	Sports rubs (Icy Hot, Ben Gay, etc.)
Ibuprofen (Motrin)	Period relief (Midol)
Naproxen Sodium (Aleve)	Acne cream (Clearasil, etc.)
Allergy medications (Claritin, Zyrtec, etc.)	Vitamins, Iron tablets, etc.

### Prescription Medications:

Authorized prescription medications may be kept in the student's belongings if they are in the original pharmacy labeled container with child's name, dosage, route, and frequency of administration (include asthma inhalers, Epi Pens, and all regularly or occasionally taken medication) and placed in a Ziploc bag. **Provide only the amount of medication needed for the duration of the trip.** Please note: the parent/guardian accepts full responsibility for their child's ability to safely self-administer the prescription medication on Band Trips. If there are medicines that they cannot administer themselves, please contact **Liz Stark** at the band booster meeting on **Tuesday, April 19<sup>h</sup>** and follow the direction for these medications.

## **Chaperone administered medication**

Please include a picture of your child and their cell phone number in the Ziploc bag so the chaperone dispensing medications will know who your child is. For the health and safety of your student, all medications must be separated into plastic zip lock bags and labeled according to the instructions below. It may help to use a large address label or masking tape on the front of the bag, to make writing easier and more legible.

***When you, the parent/guardian, remove medication from a prescription container and place it into the zip lock bag, you are taking responsibility to insure your student is receiving the proper drug, in the correct dose, at the proper time.*** The chaperone dispensing medication may or may not have a medical background and cannot be responsible to check medications for errors. They will simply give your child the bag that you have checked, labeled, and deemed safe for administration.

### **Step # 1:**

Break down the daily doses into separate snack sized zip lock bags and label as instructed below (medication taken 3 times per day = 3 snack size bags per day). If student has multiple medications that need to be taken at the same time of day, then consolidate medications into the same snack sized bag, making sure to list each medication's information. On each bag, write:

1. Student's name
2. Day of week (Mon, Tues, etc.)
3. Time of day for administration (ex: AM, NOON, PM, BEDTIME)
4. Medication name and dosage (ex: Amoxicillin 250mg)
5. Special instructions (i.e. - on an empty stomach, etc.)

### **Step #2:**

Place all snack sized bags for each day into a quart sized bag. If medication is to be taken all week, then there should be a quart sized bag for each day of the week. Label with:

1. Student's name
2. Day of week (Mon, Tues, etc.)

### **Step #3:**

Place all daily quart sized bags (Mon, Tues, etc.) into a gallon sized zip lock bag. Label the bag with:

1. Student's name
2. Band Camp or Band Trip dates (ex: July 31<sup>st</sup> - Aug 4<sup>th</sup>, 2016)
3. Student's picture and cell phone number.

### **Step #4:**

Parent must deliver properly bagged/labeled medications to the designated medical chaperone on the morning of departure. *Please convey any special instruction in writing and give to head chaperone.*

## **"As Needed" Medications (Inhalers, Epi-Pens, Benadryl, etc.):**

Due to the fact that a chaperone will not be with your child all day, your child needs to carry their "As Needed" medications with them. They must be in the original pharmacy labeled container with child's name, dosage, route, and frequency of administration and include circumstances for use (ex: Susie has exercised induced Asthma as stated on the medical history form. She can use the inhaler up to four times per day.) **The parent/guardian accepts full responsibility for their child's ability to safely self-administer the "As Needed" medication on Band Trips**
