**NOTE:** All rehearsals and performances are **mandatory** and are considered part of the overall Marching Band Commitment. Please read over the "Marching Eagles Attendance" Policy for information on absences and how they will be processed. In the event of an excused absence (illness, school trip, etc.) from school on a rehearsal or performance day we ask that you please contact the directors to let them know if they will or will not be in attendance. With students spread across 4 buildings many times the absence messages won't get shared with us.

As we have such little rehearsal time, we ask that you not schedule avoidable conflicts with rehearsals/ performances. These include job commitments, babysitting, avoidable medical appointments, senior pictures, etc. Please be aware that a job/work is not an excusable reason for missing Marching Eagles events (or any school events)! Students and parents will be **required** to sign a form stating that they have read and agree with all the Marching Eagles Attendance Policy information.
