

PERCUSSION AUDITION INFORMATION • 2020-2021

DUE BY: SATURDAY, 6/13/20

SECTION 1: Personal Information (Microsoft Form).

Go to <https://bit.ly/EHSConcertPercForm> and fill out the Personal Information. Pause when you arrive at Section 2 to **READ ALL DIRECTIONS FIRST BEFORE PROCEEDING TO QUESTION 10!**

SECTION 2: Note Reading Performance (Microsoft Form, continued).

This section guides you through the NOTE READING performance portion. You will complete FOUR one-minute theory assessments. The steps to complete this part of the audition are as follows:

Step 1. Open/click on the question link. Please note that in some instances the link may pop up two tabs when the link is clicked. Close the one that says your browser is out of date. Work in the other tab.

Step 2. Click on “Start Challenge” to begin the exercise and complete the one-minute challenge.

Step 3. After completion, click on “View Report.”

Step 4. In view report, “sign the report” by putting your last name and first initial in the blank field (i.e. - Smith, J.). Click, “sign the report.”

Step 5. Click on “Copy Link” (NOT Copy Code) and paste that link into the Microsoft Audition Form below.

SECTION 3: Two Etudes to upload to Flipgrid.

1. Etude 1. Choose **ONE** snare drum etude from the required page of etudes and play the etude at a controlled speed. Upload this recording to Flipgrid. Etudes are in the Microsoft Form and in Flipgrid.
2. Etude 2. Choose **A SECOND** snare drum etude from the required page of etudes and play the etude at a controlled speed. Upload this recording to Flipgrid. Etudes are in the Microsoft Form and in Flipgrid.

Considerations When Recording:

- Be careful not to place the microphone/recording device too close to your instrument.
- When setting up the video, you should be able to see the entire instrument and your upper torso in the video frame.
- Do a test run. Make sure you can be seen and heard on the video.
- Listen to the recording before you send it to be sure everything is recorded correct.
